Weekly Meeting 97 is happening on Wednesday, February 22, 2023 from 9:00 AM PST(17:00 UTC) - 10:00 AM PST (18:00 UTC)

You can add it to your calendar [here](#).

We'll be meeting again in the omi-weekly-meeting channel of the [AngellXR/OMI Discord](#). We regularly use the # omi-meeting-chat channel for text chat.

Who we are and why we're here:

The Open Metaverse Interoperability Group (OMI) is focused on bridging virtual worlds by designing and promoting protocols for identity, social graphs, inventory, and more. Our members include businesses and individuals working towards this common goal.

If you're an observer or here for the first time, this is a meeting where people who work on the OMI group initiatives discuss updates and contribution opportunities for current projects and goals. This is your chance to jump in and help!

We welcome you to introduce yourself in #omi-meeting-chat as we dive into the agenda items. There will be an open floor in the last 15 minutes of the meeting (agenda permitting) where we can discuss any items you feel are relevant to the current or near future OMI goals.

Seeking guidance

- do we need to make a statement about being named in a recent legal filing?
- can we define the criteria for participating in our community better?
- reviewing the banned on Friday in champions to decide on reinstatement and future policy
- cross-check the w3c guidelines to ensure we are compliant

Panel Sign-ups

- showing off OMI community
 - showcase of members of our community
 - maybe unconference style with a whiteboard of topics, clusters/affinity, and fashion panels on the fly.

Have an additional panel idea?

- moderator
- people on it
- do you have avatars?
