## This past week:

Moderated Wednesday, made the graphic and announcement, coordinated with Shirley, and more.

## The upcoming week:

Our vote results for our next Wednesday theme resulted in a tie! I am thinking through if we should combine, remix, or schedule pt. ii of portals and avatars for the next two weeks. I'll make the graphic again, and announce. I will also continue to recruit newcomers to our Wednesday meetings. There is also a backlog refinement I will run next week.

## Blockers:

None at the moment.

## Balance:

9/10
