Hey everyone, we'll be hosting our second chair election at our weekly meeting on August 4th at 9:00 AM PDT. You must attend the meeting in Discord in order to vote.

The chair selection process is described [here](#)

You can support re-electing the existing chairs or nominate yourselves or others below.

Current Chairs:

Robert

Evo

Jesse

I will be unusually unavailable during this week's meeting, but have been attending every meeting since before the first election. Should my vote be allowed to, or need to be counted, I vote for the continuing service and leadership of the current chairs.
