When is the next meeting? #20

✓ Answered by **robertlong** **gobengo** asked this question in **Q&A****gobengo** on Apr 26, 2021

Just poked around to make sure I don't miss the next meeting. Maybe it's not scheduled yet?

If it is scheduled, will someone link me to information about dateline?

If it's not scheduled, will someone advise on how I can find out when meetings gets scheduled?

ty!

We're trying to schedule it now. You can join the conversation here: [#10 \(comment\)](#)

I think we need to schedule it by tomorrow afternoon at the latest.

We are looking at Wednesday 5/5/21 at 6AM PDT and 6PM PDT for a two-part OKR workshop. General meetings should begin after we've ratified our OKRs.

Maybe we have a little get together tomorrow too? Like a social hour in hubs for anyone who can make it?
