check in, shootin's the breeze

Media Spaces townhall: Reached out to Wagner James - [omigroup/media#92 \(comment\)](#)

TODO: work on "canned agenda", semi-structured guiding questions and answers

jin: Polygonal is down, trying to recover archives:

funfind, jimmy: <https://atlas.nomic.ai/> - related to knowledge graph research, topic modelling

Metaverse festival discussion, how about rather than "an event", have a type of ongoing "behind the scenes documentary of how to build a festival" type of vibe?

Do we consider ourselves a builder community? Manage expectations

behind the scenes journey / documentary sort of vibe. jin says, sounds like an Overworld.

<https://en.wikipedia.org/wiki/Overworld>

knowledge graphs could also be a sort of overworld

Have a Discord space at the same time, for interoperability, for people who don't like X to also participate.

Also have a virtual world meetup for afterwards
