Metaverse Standards Forum: Delegates Catch-up

Wednesday, 30 November 2022 from 11:00 AM - 12:00 PM EST (16:00-17:00 UTC)

There was no MSF Oversight meeting today.

There was a MSF Standards Registry working group meeting yesterday (29 November 2022). Shirley (@pcsmgmt) attended that meeting and will update.

@sindhu drafted a group charter for MSF delegates, based on previous discussions and @funksoup's [scope of work draft on Miro](#).

Brief discussion:

- @sindhu brought up the need for defining 'work group' vs 'delegate' i.e., MSF delegates -- and that maybe this should be defined on the github README
- definition of 'attending OMI meetings regularly' discussed; @funksoup suggested going through calendar of MSF meetings and each delegate selecting which ones they were going to, so not everyone has to go to everything

During the last [MSF Oversight meeting on 16 November 2022](#), a fiduciary responsibility for board seats was discussed, and this was subsequently discussed in OMI's MSF-delegates as well as the OMI weekly meeting. A lot of concern was voiced around the fee structure and how to keep it open yet sustainable. @sindhu also drafted some proposed MSF membership requirements.

Both drafts to be discussed at next MSF-delegates meeting.
