Weekly Meeting 120 is happening on Wednesday, August 18, 2023 from 9:00 AM PDT (16:00 UTC) - 10:00 AM PDT (17:00 UTC)

You can add it to your calendar here.

We'll be meeting again in the omi-weekly-meeting channel of the AngellXR/OMI Discord.
We regularly use the # omi-meeting-chat channel for text chat.

Who we are and why we're here:
The Open Metaverse Interoperability Group (OMI) is focused on bridging virtual worlds by designing and promoting protocols for identity, social graphs, inventory, and more. Our members include businesses and individuals working towards this common goal.

If you're an observer or here for the first time, this is a meeting where people who work on the OMI group initiatives discuss updates and contribution opportunities for current projects and goals. This is your chance to jump in and help!

We welcome you to introduce yourself in #omi-meeting-chat as we dive into the agenda items. There will be an open floor in the last 15 minutes of the meeting (agenda permitting) where we can discuss any items you feel are relevant to the current or near future OMI goals.

Agenda

UPDATES

hi OMI <3 I am OOO today (in San Fran!) I will likely miss our meeting due to a conflict. - **@mrmetaverse**

- Call for nominations and volunteers for the next election.
- new card is requested, once approved we will get fireflies turned on to transcribe our past and future meetings!
- let's set a date/range for the parade? Also, what do you think of a Metaverse Prom? Like what if we bring a date/friend to Prom. Maybe it's someone who we want to pull-in to our world. Maybe it's someone who already builds in the Metaverse. Would be cool to see something like a metaverse prom where we call-in others to be part of our community.
- Metaverse Festival October 2024 see HackMD draft information for page on OMI website to start spreading the word
