Dear Chairs of CGs,

Dominique Hazaël-Massieux and I lead the W3C Community Group program. We are organizing a meeting of the W3C Community Council on
3 September 2025 at 15:00 UTC [1] for an update on our activities to enhance the program [2].

We would like to invite you to the discussion of our activities around:

- Lowering barriers of the transition to standardization
- Improving support for chairs and groups
- Clearer communications about the status of specifications and groups

We are especially interested in the perspectives of CG Chairs on these topics. We look forward to chatting with you,

Dominique Hazaël-Massieux and Ian Jacobs
